2. **Scot Meader Report**

- Scot announced that Larry Farnes, County Facility Manager, will pay for the balance remaining on the second archway from his budget.
- Scot received a request for a "fishing booth" at the fair where kids can "fish" and received a small prize.

3. **Lisa Mills Report**

- We will have a Dairy Educational Display that is free and comes staffed. It will leave the fairgrounds Saturday night. This display will be located where the Country Fair Stage was last year.
- The Pink Grizzly will put together 20-30 flower pots for decorating the Country Fair.
- The County Extension Office (Jerry Marks) pledged an additional \$2,000. Lisa has found that people are not willing to entertain for free. Entertainers need gas money, if nothing else.
- KTMF - TV will staff the Information Booth and supervise the tractors. They may use the Country Fair logo on balloons they have at the Information Booth.
- Bitterroot Gymnastics will perform to *Cottoneyed Joe*.
- The Country Fair Stage will be located closer to the wash racks.  
**Tara Sheridan moved that the Country Fair Stage be located in front of the Ag Building. Lori Zeiser seconded the motion, which carried unanimously.**

4. **Kris Handley Report**

- The Garden City Sowers 4-H Club will sponsor and organize contests.  
**Kris Handley moved to allocate \$150 toward prizes for the contests.**
